BY-LAWS

NAME

ARTICLE 1. This society shall be known as the MONDAY EVENING CLUB.

OBJECTS

ARTICLE 2. The objects of the Club are the reading of papers and the discussion of subjects related to the work of its members, and the promotion of personal acquaintance.

MEMBERS

ARTICLE 3. Any person receiving compensation for charitable or philanthropic work in Boston or vicinity shall be eligible for active membership. When a member no longer receives compensation, or becomes ineligible for active membership on account of change of employment, his membership shall cease; but he shall be eligible for associate membership.

ARTICLE 4. Nominations for membership shall be made publicly by a member at some meeting of the Club and then placed in the hands of the Membership Committee. After due investigation this committee shall recommend such candidates as are found eligible and fit to the Executive Board for election. If elected, their names shall be announced on the notice of the succeeding meeting and their yearly assessment is then due.

ARTICLE 5. Each member shall pay a yearly assessment not exceeding two dollars, the amount to be fixed at the annual meeting and to fall due at the October meeting. Before the November meeting of the Club, the Treasurer shall send a written notice to each member who has not paid his assessment, and shall repeat such notice before the December meeting.

ARTICLE 6. To a new member who has not paid his assessment the Treasurer shall send a written notice before the second Club meeting following his election, and shall repeat such notice before the next meeting.

ARTICLE 7. If a member fails to pay his assessment on or before the day of the December meeting, or a new member on or before the day of the third meeting following his election, his membership shall cease at the discretion of the Executive Board. The Secretary shall note the fact upon the records, and notice of such cessation of membership shall be sent; but such membership shall be revived upon payment of past dues.

ARTICLE 8. Associate members shall be subject to the same rules and have the same privileges as active members, except that they shall be ineligible to office and not entitled to vote.

ARTICLE 9. Upon nomination by the Executive Board, the Club may elect honorary and corresponding members, who shall not be subject to assessment, nor entitled to vote.

OFFICERS

ARTICLE 10. The officers of the Club shall be a President, two Vice-Presidents, a Secretary, a Treasurer, and four others, who together shall constitute the Executive Board of the Club.

ARTICLE 11. At the regular meeting in March, a committee of three, nominated from the floor, and including not more than one of the Executive Board, shall be elected to nominate officers for the ensuing year. They shall announce their nominations at the April meeting. The Secretary shall cause said nominations to be printed in the form of a ballot and sent to the members with the notice of the annual meeting. The Secretary shall also print in the same ballot other nominations, if ten members so request in writing, provided that such request shall be filed with the Secretary ten days before the annual meeting.

ARTICLE 12. The officers shall be chosen by ballot at the annual meeting in May, and shall take office one week after the June meeting. The Executive Board shall fill any vacancies in its own number occurring within the year.

ARTICLE 13. The Executive Board shall appoint the following standing committees: On Papers and Discussions; on Reception; on Membership; on Room and Supper; on Library.

Each standing committee shall consist of at least three persons, and the chairman shall be chosen from the members of the Executive Board.

MEETINGS

ARTICLE 14. The Club shall meet in each month except July, August and September, and on Monday evening, except in June, when another day may be selected by the Executive Board. The May meeting shall be the annual meeting. Nine members shall be a quorum for business.

GUESTS

ARTICLE 15. Each member may bring one guest to any meeting of the Club, and, subject to the approval of the Room and Supper Committee, may bring additional guests.

AMENDMENTS

ARTICLE 16. These By-Laws may be amended at any meeting of the Club, provided that notice of the proposed amendment shall be inserted in the notification of the meeting, which shall be sent at least one week before the date of the meeting.
